

HANDPRINTS and FOOTPRINTS in Clay

Let 2Hands Help Create a Memory

Capture your little one's hand OR foot impression forever in CLAY using your own "2Hands."
Kids grow up in the "blink of an eye" and a clay impression keeps the memory alive.
Kids are amazed to see how their hand gets bigger!

Press and texturize using special design tools + paint with underglaze.
The impression is kiln fired 2x's and clearglazed at 2Hands.
The clay impression is ready a few weeks later to hang with coloured ribbon and display.

Clay prints are ideal for ages 3 months to 5 years and make perfect gifts for Grandparents or family members too.

How it works:

2Hands helps you get the impression with ease and it always turns out to be a social event.

All 2Hands needs are tables and chairs and can make it work wherever the location and time schedule.

It is QUICK and Easy, done within 20-30 minutes and always successful!

2Hands comes to you!

Perfect for:

Mom and tot groups OR daycares and nursery schools.

Friends around the table.

Birthday parties for little kids and turn it into a hand print.

Upon booking a 2Hands Handprint Adventure YOU receive a helpful "How To" sheet to plan the day.
2Hands creates with KIDS of all ages + Seniors and Special Needs + Adults.

"Christine:
Thank you so much!
I picked up the clay
prints the other day.
They turned out
great and my
husband adored
them!"
