

MOTHER'S DAY CARD

Card Instructions

1. Print this page.
2. After printing, fold the paper straight in the middle.
3. Then, trim around the card edges where the grey line is. Remember to ask if you can use scissors!
4. Colour and print words on your card and you're done. Way to go!

(When you print and fold, this is the back of the card)

(When you print and fold, this is the front of card)
